

## **Moving to Pure Potentiality**

We are with you now and forever. Feel Us. We know you can. Be still. Allow the nothingness that comes up to just be felt. Allow the moment to just Be. Appreciate it. Feel it. Become it. You and the moment are One. When you allow yourself to be at One with all that is around you, when you connect to the moment, you are connecting with All.

Be at peace with the moment. No thinking, just being. First allow nothing to take you over. Be with nothing. Often in the nothingness your mind panics and takes over, creating a sense of stress and discomfort. Learn to feel more at ease with nothing, learn to make it your friend, for on the other side of nothingness lies so many riches. Riches beyond your wildest imagining.

Come and join Us on the other side of nothingness. As you practice becoming more at ease with nothing, we will show you, teach you how to cross the Void. From there you can pull back the Veil so you may come to experience your multidimensional self, while still in human form. Then and only then will you come to know your True Power - Pure Potentiality. You are capable of attaining this state known as Pure Potentiality. From this state you will know complete manifestation.

Complete manifestation is a state where you can intend and create anything you choose. It is a state of great power and cannot be achieved without practice. It is far more difficult to attain in human form but it is possible. In order to reach this state you must move to a place of Pure Love. We will teach you about Pure Love, but you will have difficulty explaining it to others. It does not need to be explained, but merely experienced. It is not love as you may know it, but something deeper and far more intense than anything many of you have yet experienced.

For those of you who have come forth at this time of great potential and have worked diligently to become awakened, you will be able to show others The Way. But before you can teach others and show them, you first must experience the place of Pure Love, the place of Pure Potentiality. We will pull back the Veil if you desire so you can experience this place.

As your heart opens wide and your mind is still, you will begin to feel the sense of Our presence. But do not resist it or be afraid of It or you will lose It. Become more at ease when the sense of Us comes over you in a strong way. Let it overtake you. Let it become you. Let it consume you for as this strong sense of Us is allowed to strengthen, you will learn each time you do, to go deeper and deeper into the Place of God – the Source.

It will take practice, several times of going deeper and deeper. Your natural human tendency will be to resist, to be afraid, for this is the place where you leave behind your four dimensional world and get a glimpse of the multidimensional one. Practice surrender – complete surrender when the sense of Us comes upon you. Do not be afraid, We will be there with you always, holding your hand, so to speak, as you cross over the Void to the place often referred to as Heaven. And if you lose your connection to Our communication, simply stop and Be Still. Pause. Be patient. Allow the Love of God to wrap around you. Take a deep breath and when the mind is completely still We will reappear.

Be unto yourself True. Allow Us in. Once again, quiet the mind while at the same time opening your heart. Simply let Love guide you. Drop the fear. Soon you will be able to summon the opening to this Place whenever you desire. It will take practice but not necessarily a long time.

The lower chakras still block you from moving, on a regular basis, to the highest of vibrational states. Open up the lower chakras by eliminating the conditioned beliefs that no longer serve you. Allow silence and stillness to bring you any answer you desire.

And you may ask “What blocks my lower chakras?”

And We say to you, it is your ties to the tribe, the family and society. It is your personal history that you cling so tightly to. It is your fear of wholeheartedly being You. Of allowing Your truth to come forth. The opinions of others must be eliminated for the flow of energy to move through you without being blocked at the lower chakras. Eliminate all that no longer serves you about society, the other, the family, the group – for those beliefs keep you separate and from the place of separateness you are blocked from moving to the highest vibration. It is time if you choose, if you are ready to unblock the lower chakras. Let go of your personal history so you may ascend to your Greatness. Learn to use your Personal Power so you can move always, to the place of Pure Potentiality, where it is easy to create all that you desire. It is now possible to attain while still in Human Form.

We are here for you anytime you wish to converse with Us. Simply enter a state of stillness and peace and We shall appear. Our love for you is everlasting and unconditional.
